TOURNAMENT CHAIR REPORT: Mary Odom reported: Cha cha cha golf went very well. Golf genius program did all the calculations. Glencora made a great score card.

This week low net we will use maximum net double bogey scoring. I'm going to try and pair Invitational partners together this week and the week before the Invitational.

Closest to the pin winner was Glencora Lannen.

She reported that she is pleased that we are using cart paths and the roughs and the 90 degree rule with our golf carts. It really does help.

I want to encourage score keepers to use the black dots for writing the score down. The handicap system in GHIN does it for the score posting but not for our own tournament. I don't always catch the extra strokes when that happens for our tournament.

She reported that Cathy Swindle got a hole in one last week on #7. She will get a plaque done for her.

Marty has been a big help with all of the computer stuff.

Winners today are:

4th place: Bonnie, Anne, Marion and Barbara

3rd place: Georgene, Sandy, Nicole, Cathy

If you want to play with a certain player send Mary a request
